

## Downtown Tiffin Business District Fixture Index

Consistency is important to any thriving business district. In order to help unify our business district, we have compiled a list of fixtures unique to our locale. The intention being creation of physical attraction to the downtown area. If your business is interested in being a part of this effort, please show interest in the items below. All items will be assembled and installed by The City of Tiffin. You may inquire about purchase costs, including freight and assembly, through city hall. Please contact Judy Ryder at [jryder@tiffinohio.gov](mailto:jryder@tiffinohio.gov) or (419) 448-5401
