

Living Legacy Tree Memorial Program

A Legacy Tree to honor a deceased loved one or a special event may be purchased from the City of Tiffin. The Legacy Tree will then be planted by the City in a special area, and the name of the person or event to be honored will be placed on a memorial plaque on the Legacy Tree sign in Hedges Boyer Park.

The process of purchasing the Legacy Tree is as follows: Fill out the following request form and pay the city a flat fee of \$250 which covers the purchase, planting, and maintenance of the tree as well as the cost of the memorial plaque. Give or mail to: **Parks & Recreation Department, 621 E. Market St., Tiffin, Ohio 44883.** Make your **check payable to the City of Tiffin** and **write in the memo line: Living Legacy Tree Memorial** this will ensure that it goes to the right memorial fund. Any questions you may have please contact Bryce Kuhn the Parks Director or the City of Tiffin Administration office at 419-448-5401.

Be sure to print clearly so that the name of your loved one or special event is spelled accurately on the Legacy Tree sign.

Request for Legacy Tree

Name _____

Address _____

Phone _____

Name of person or event to be honored (Please Print Clearly)

What kind of Tree would you like to be planted or would you like the Tree Commission to pick a tree for you? _____
